RES ROMANAE
ESSAYS ON ROMAN HISTORY
 Edited by Bruce Marshall
 with a Foreword by Colleen McCullough

Res Romanae, the latest MAHA publication, contains twenty-one essays on Roman history and politics taken from the MAHA journal *Ancient Society/Ancient History: Resources for Teachers*. The essays are as they were originally published, but in most cases with an up-dated bibliography included. They cover the period from the 3rd century BC to the 1st century AD, and will provide a useful compendium of these articles on topics relevant to the Ancient History syllabus for the NSW HSC. Teachers and students should find these articles useful for their study.
